## DECLARATION ON ALLERGENS

The company **BEMA Lanškroun s.r.o.**,  
with registered office at Lanškroun, Dukelských hrdinů street 1192, 56301  
Company ID: 25999401

hereby declares that the plastic bottles produced and supplied by our company, intended for food contact:

- are manufactured in compliance with **Regulation (EC) No 1935/2004**,
- meet the requirements of **Regulation (EU) No 10/2011** on plastic materials and articles intended to come into contact with food,
- are safe when used for their intended purpose.

## Allergenic Substances

Based on:

- the raw materials used,
- the manufacturing process,
- the information provided by our suppliers,

**no allergenic substances listed in Annex II of Regulation (EU) No 1169/2011** are intentionally used in the production of the plastic bottles.

Regulation (EU) No 1169/2011 on the provision of food information to consumers **applies to food products**, not to packaging materials.

Therefore, **the packaging manufacturer is not legally required to declare or guarantee the presence or absence of allergens.**

## Migration

The materials comply with legal requirements regarding substance migration into food and **do not release substances in quantities that could be hazardous to health**, including for consumers with food allergies.

This declaration is issued based on currently available information and applicable EU legislation.
